# babyslusher®

THE SLEEP MIRACLE

Trusted by millions of parents, the Baby Shusher uses a real-human 'shush' to end babies' crying spells and establish healthy sleep routines.

SCAN ME

**Embrace tranquility with the original Baby Shusher, the trusted companion for any nursery.**

Features a 15–30–minute timer and adjustable volume to gently soothe your baby into a peaceful sleep.

**MSRP \$34.99**

**Always ready for soothing, no matter where you are—the Baby Shusher 3-pack.**

Perfect for busy families on the go, this trio ensures you're always prepared to calm and comfort your baby.

**MSRP \$99.99**

E-Commerce & Registry

**Give the gift of restful nights with the Baby Shusher Collection, an essential gift set for new parents.**

This set features the original Baby Shusher, two soft muslin swaddles, and two BPA-free silicone Shushie pacifiers, designed to soothe and comfort. It's the perfect way to help settle a fussy baby into peaceful slumber.

**MSRP \$49.99**

**Soothe your baby with the 6-Pack Shushie Pacifier, designed for comfort and safety.**

Its orthodontic shape promotes healthy oral development and proper tongue movement.

The one-piece design reduces bacterial growth and choking hazards, while ventilation enhances breathability. Made from hospital-grade, BPA-free materials.

**MSRP \$19.99**

# shusher firefly

A stylized white firefly with orange accents, positioned to the right of the brand name. A dashed white line extends from the bottom of the firefly's body towards the left, ending near the 'shusher' text.

**Introducing Firefly, the latest innovation from Baby Shusher!**

Powered by USB-C, this soother features a dimmable night light & multiple modes to create the ideal sleep environment for your child.

With three timer settings, continuous play, & sound activation, Firefly seamlessly adapts to your needs, automatically soothing your baby back to sleep. Embrace unmatched convenience for more peaceful nights.

**MSRP \$39.99**

 SCAN ME

**Stoplight Golight, the traffic light timer that makes time management fun for kids.** This audio & visual timer, powered by USB-C, streamlines daily routines like tooth brushing, homework, and screen time. It's also perfect for keeping toddler sleep schedules consistent, ensuring early risers stay in bed until the right time. Essential for parents, the Stoplight Golight adds structure & joy to everyday activities.

**MSRP \$34.99**

**Elevate playtime with the Tumzee Tummy Time Tool** – This ergonomically engineered tool raises your baby’s head and body, promoting better eye contact and interaction with parents. Its 15-degree angle not only supports critical muscle development in the arms, neck, and core—essential for early motor skills—but also enhances visual and sensory stimulation, boosting cognitive growth and hand-eye coordination.

More than just a play tool, it reduces babies’ discomfort, and aids in reaching developmental milestones. Made from safe, BPA and phthalate-free materials, Tumzee is dedicated to your baby’s joyful development and wellbeing.

**MSRP \$44.99**
